**Subject:** RE: European Patent Application No. 04745018.4 "Method for production of micro-optics structures"  
- Your Ref: Manufacturing Process - Our Ref: 1656818

Hi Devin,

Please see <http://www.wipo.int/pctdb/en/wo.jsp?KEY=05/10573.050203>

I am supposed to appear as an inventor because i am one of the inventors who designed and brought this concept and technology.

I am not willing to sign that assignment paper i was given, it says "Kapellner Yuval, who is applicant of European patent app no 04745018.4 herewith assigns his share of co ownership in said app to Explay Ltd"

I don't want to assign my share.

Please let me know what procedures are taken to correct the error and present my name as one of the inventors.

Best regards,

Yuval.

Dear Yuval,

Further to our conversation, I attach a document in order to correct Explay's application.

Please return the signed document, in original, to our offices as soon as possible.
